IN THE MATTER OF THE APPLICATION OF
TELEFYNE INCORPORATED FOR APPROVAL
TO CANCEL ITS CERTIFICATE OF
CONVENIENCE AND NECESSITY FOR RESOLD
LONG DISTANCE AND ALTERNATIVE
OPERATOR SERVICES.

DOCKET NO. T-04027A-06-0061

DECISION NO. 70840

ORDER

Open Meeting
March 3 and 4, 2009
Phoenix, Arizona

BY THE COMMISSION:

* * * * *

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

FINDINGS OF FACT

1. Telefyne Incorporated ("Telefyne") was granted a Certificate of Convenience and Necessity ("CC&N") to provide competitive resold long distance services and alternative operator services ("AOS") in Decision No. 65410 (November 20, 2002). In the Decision, Telefyne was prohibited from requiring its Arizona customers to pay advances, prepayments, or deposits for any of its products or services. Telefyne was not required to obtain a performance bond.

2. On February 1, 2006, Telefyne filed with the Commission an application to cancel its CC&N to provide resold long distance and AOS. In its application, Telefyne stated that it no longer intends to provide telecommunications services in Arizona, currently has no customers, and has not collected deposits or advance payments from Arizona customers.

3. On February 10, 2006, the Commission's Utilities Division Staff ("Staff") issued a Letter of Insufficiency and Data Request to Telefyne via its attorney.

1 4. Nothing was filed in this docket between February 10, 2006, and September 13, 2007,
2 when a Procedural Order was issued requiring Staff to file an update on the matter by October 4,
3 2007.

4 5. On October 2, 2007, Staff again issued a Letter of Insufficiency and Data Request to
5 Telefyne via its attorney.

6 6. On October 3, 2007, Staff issued a Letter of Insufficiency and Data Request to
7 Telefyne directly.

8 7. On October 4, 2007, Staff filed a Staff Update stating that Staff had contacted
9 Telefyne's attorney by e-mail on September 17, 2007, and had received a response by e-mail on
10 October 2, 2007, stating that the attorney no longer represented Telefyne on this matter. Staff stated
11 that it then sent a copy of its Letter of Insufficiency and Data Request directly to Telefyne by
12 certified mail. Staff recommended that the matter not be administratively closed.

13 8. Nothing was filed in the docket between October 4, 2007, and April 2, 2008, when a
14 Procedural Order was issued requiring Staff to file an update on the matter by April 23, 2008.

15 9. On April 17, 2008, Staff filed a Staff Update stating that Staff had not received a
16 response to the Letter of Insufficiency and Data Request sent to Telefyne on October 3, 2007. Staff
17 further stated that it had been informed by Telefyne's attorney that the attorney would actually be
18 handling this matter and that responses to Staff's Data Request were being processed. Staff again
19 recommended that the matter not be administratively closed.

20 10. On April 25, 2008, Telefyne filed responses to Staff's Data Request.

21 11. In its responses to Staff's Data Request, Telefyne stated that it never provided services
22 in Arizona, never had any customers in Arizona, and did not publish legal notice of its application for
23 cancellation for those reasons. Telefyne further stated that it was closing its business, that it did not
24 have a performance bond, that it never collected any prepayments, that it had no affiliates currently
25 offering telecommunications services in Arizona, and that it was not providing resold long distance
26 and AOS in any other states.

27 12. On December 12, 2008, Staff filed its Staff Report recommending that Telefyne's
28 CC&N be cancelled.

13. In the Staff Report, Staff stated that Telefyne's annual report filed in 2005 indicated that Telefyne had no customers at that time. According to Staff's Data Request, the fiscal year 2004 annual report filed in 2005 was the only annual report Telefyne ever filed with Staff.

14. Staff stated that Telefyne reported that it has no employees or facilities in Arizona.

15. The Commission's Consumer Services Staff has indicated that no complaints, inquiries, or opinions were filed regarding Telefyne from February 7, 2006, to April 29, 2008.

16. The Commission's Corporations Division has reported that Telefyne is not in good standing and, in fact, that its authority to transact business in Arizona was revoked effective August 7, 2006, for failure to file its 2005 annual report with the Corporations Division.

17. Staff's Compliance Section has indicated that Telefyne failed to file conforming tariffs as required by Decision No. 65410.

18. Staff recommends approval of Telefyne's application to cancel its CC&N because Telefyne is not conducting business and has never provided service to customers in Arizona. Further, Staff recommends that the requirements of Arizona Administrative Code ("A.A.C.") R14-2-1107 be waived.

19. A.A.C. R14-2-1107(A)(2) and (4) and (B), which impose notice and other requirements upon a competitive telecommunications provider that intends to discontinue service, do not apply to a telecommunications provider that has never provided telecommunications service in Arizona. (Decision No. 70040 (December 4, 2007).)

20. Staff's recommendation to cancel Telefyne's CC&N is reasonable and should be adopted.

CONCLUSIONS OF LAW

1. Telefyne is a public service corporation within the meaning of Article XV of the Arizona Constitution and A.R.S. §§ 40-281 and 40-282.

2. The Commission has jurisdiction over Telefyne and the subject matter of the application.

3. A.A.C. R14-2-1107(A)(2) and (4) and (B) do not apply to Telefyne because Telefyne has never provided telecommunications service in Arizona.

4. The cancellation of Telefyne's CC&N to provide resold long distance and AOS is in the public interest.

ORDER

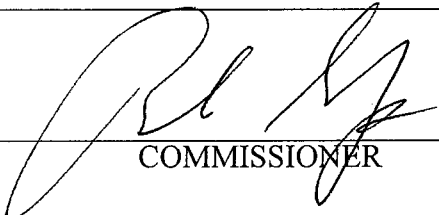

IT IS THEREFORE ORDERED that Telefyne Incorporated's Certificate of Convenience and Necessity to provide resold long distance and alternative operator services in the State of Arizona, granted in Decision No. 65410 (November 20, 2002), is hereby cancelled.

IT IS FURTHER ORDERED that the Utilities Division shall update the compliance status for Docket No. T-04027A-01-0501 consistent with the cancellation of the Certificate of Convenience and Necessity granted to Telefyne Incorporated under that Docket.

IT IS FURTHER ORDERED that this Decision shall become effective immediately.

BY ORDER OF THE ARIZONA CORPORATION COMMISSION.
